Imagine a summer filled with amazing weather, tons of camping and driving all over BC... for some of you that sounds amazing, for others not so much.

Now that I have had a week or so to process our summer, I can honestly say that it was beyond anything I could have imagined.

Watching the eyes of a child light up at the reality of who God is to them, that they are... [\(read more\)](#)

Thank you so much for your continued support and prayers for us as we serve God as he moves and calls us to.

Thank you so much for your **prayers this summer**, they were answered in so many ways.

If you would like a specific reminder of our summer schedule you can find it here - [McVety Summer 2015](#)

Added excitement:

I (Dave) have had the incredible blessing of performing 2 weddings in the September for youth from his youth pastoring days. We take great pleasure in the opportunity to walk with young couples and spend a lot of time working with them to prepare for an incredible life together. I can honestly say it has been one of my greatest joys to be continually invited into their lives as I have.

Things to pray for:

- 1. Thanks for God's provision in surprising and creative ways.**
- 2. Thanks for our incredible summer and all God did through and with us.**
- 3. Wisdom as we coach marriages and relationships.**
- 4. Spiritual protection and ears to hear the Holy Spirit working and directing.**
- 5. Strength and energy to balance homeschooling, work, and Melissa's Masters classes.**
- 6. Wisdom as we develop new talks, material and curriculum for all of events and teaching we're doing.**
- 7. Continued provision and financial support. God is providing and we know He will continue to- that said, Melissa will not be getting any pay checks for the rest of the year because our account is running low. Thank you for your support and prayers, we deeply appreciate every prayer and every dollar.**
