MINISTRY REPORT

Since our last letter to you in December, our speaking schedule was quiet for the month of January (which is quite normal) except for Dave having the opportunity to preach to a English-speaking, Chinese church in Richmond a couple of times. Instead of formal speaking engagements, our schedules were full of administrative duties (mainly Dave working hard trying to get DFR's new website up and running). Dave has also been putting a lot of effort into his blog and developing resources and articles to encourage families. Developing talks, counseling families and doing premarital counseling are just a few of the things that have kept us busy recently. We had the chance to attend Missions Fest

in Vancouver, and as a result we have a VERY busy summer of ministry coming our way; speaking at a variety of children, youth and family camps. Dave already had a taste of camp speaking, having the privilege of sharing with 80+ youth the message of who God is and our relationship with him at Timberline Ranch in Maple Ridge, BC. The greatest joy was having Leigha and Josiah both take turns sharing their own experiences with God (you can catch a glimpse on Dave's blog page davemcvety.com). Melissa also had the privilege of speaking at the Nazarene church Women's retreat called Oasis in Hope, BC on how to find JOY in your suffering! It was an amazing opportunity (you

can read about it on Dave's blog page as well). Apart from speaking, writing articles/blogs and developing curriculum, we make sure to spend time with each other and with our family. Dave has also been leading a weekly family care group on the study *Forgotten God* by Francis Chan, and has been co-leading a weekly men's porn recovery group called **The Conquer Series** at Northview in Abbotsford, BC.

MCVETY'S URGENT PRAYER REQUEST

As many of you know, working with Doing Family Right is a missionary position that both of us are honored to be a part of.

We are blessed to bring support, encouragement, resources and our own experiences forward as we allow God to use us to come alongside marriages and families. As missionaries we rely on the generosity and faith of others to partner with us. As of late, we have discov-

ered that our personal account is very low, in fact, it has been brought to our attention that we are in a deficit. We are currently being paid at a reduced rate in order to balance our account, but as you can imagine that means digging a hole into our credit line in the process. **So we need your prayers!** If you are feeling called to give, or know of others to share our ministry with, we would be MORE than honored and blessed! It would be a huge

answer to prayer and an encouragement to our family. We are so thankful for all of you who already support us both financially and otherwise, we truly are humbled to have you partner with us! Your continued support and monthly donations are invaluable. and they enable us to live and continue in this ministry.

Please feel free to fill out the donation form that are included in the envelope or contact us directly and we can help you.
